**ICHA WIDIANTHI.** 2023, Penerapan Keselamatan Dan Kesehatan Kerja (K3) di Kitchen Aruna Senggigi Resort and Convention. Pembimbing: Herry Rachmat Widjaja, S.Sos., M.M.Par., CHE dan Oktomi Harja, S.Par., M.M.

Penelitian ini bertujuan untuk mengetahui upaya dan kendala dalam penerapan Keselamatan dan Kesehatan Kerja (K3) di Kitchen Aruna Senggigi Resort and Convention. Penelitian ini menggunakan pendekatan kualitatif. Untuk objek penelitian mengarah kepada pegawai Kitchen Aruna Senggigi mengenai penerapan K3. Teknik pengumpulan data menggunakan metode observasi, wawancara dan studi kepustakaan. Berdasarkan hasil penelitian, Kitchen Aruna Senggigi menyediakan komponen dan alat keselamatan berupa APD kotak P3K. Namun, penerapan Keselamatan dan Kesehatan Kerja (K3) di Kitchen Aruna Senggigi saat ini masih belum optimal, dikarenakan kurangnya kesadaran pegawai akan keselamatan dan kesehatan di tempat kerja

Kata kunci: K3, Kitchen, Hotel

## **ABSTRACT**

*ICHI WIDIANTHI. 2023, implementation of Occupational Safety and health (K3) at Kitchen Aruna Senggigi Resort and Convention. Supervisor: Herry Rachmat Widjaja, S.Sos., M.M.Par., CHE and Oktomi Harja, S.Par., M.M.*

*This study aims to menegtahui efforts and constraints in the application of Occupational Safety and health (K3) in Kitchen Aruna Senggigi Resort and Convention. This study uses a qualitative approach. For the object of research leads to employees Kitchen Aruna Senggigi on the application of K3. Data collection techniques using observation, interviews and literature studies. Based on the results of the study, Kitchen Aruna Senggigi provide components and safety equipment in the form of APD box P3K. However, the implementation of Occupational Safety and health (K3) in Kitchen Aruna Senggigi is still not optimal, due to lack of employee awareness of safety and health in the workplace*

*Keywords: K3, Kitchen, Hotel*
